Investment Time Horizon

1. What is your age?

- 56 and over
- 46 - 55
- 36 - 45
- 20 - 35

2. What is your primary financial goal?

- Wealth preservation
- Retirement planning
- Wealth accumulation

3. What is the time frame for you to achieve your financial goals?

- 0 – 5 years
- 5 – 10 years
- 10 years or longer

Financial Goals

1. Which of the following best describes your financial goals?

- Preserving principal and earning a moderate amount of current income
- Generating a high amount of current income
- Generating some current income and growing assets over an extended time frame
- Growing assets substantially over an extended time frame

2. How do you expect your standard of living five years from now to compare to your standard of living today?

- Less than it is today
- The same as it is today
- Somewhat higher than it is today
- Substantially greater than it is today

3. Five years from today, you expect your portfolio value to be:

- Portfolio value is not my primary concern; I am more concerned with current income
- The same as or slightly more than it is today
- Greater than it is today
- Substantially greater than it is today

4. Generating current income from your portfolio is:

- A primary concern (only if you are about to retire)
- Not important

5. With the income generated from your portfolio, you plan to:
